Bear Wood Project

BRISTOL ZOOLOGICAL SOCIETY

IS OUR CHARITY OF THE YEAR FOR 2019

www.wildplace.org.uk/bearwood

Charity number: 1104986

In 2019 we will be supporting the Bear Wood Project, a unique initiative by Bristol Zoological Society. Bear Wood is an exciting new development due to open in the summer of 2019 at Wild Place Project.

The exhibit will transport visitors back in time when the woodland was inhabited by European brown bears, Eurasian lynx, European wolves and wolverine. It will show how the loss of our woodland has affected our native species and how we can conserve what remains.

We will be donating 5% of every buyers premium to the appeal and arranging various events throughout the year.

Thank you for joining us

We are delighted to welcome you here again to All Saints Clifton for our 9th annual Opera Picnic and we are pleased to welcome back our friends and stars of the Welsh National Opera, Naomi Harvey, Joanne Thomas, James Gower, Jeff Stewart and Simon Phillippo who have prepared a marvellous evening of music for us. Tonight is all about celebration and fun with our friends and so we have asked The Mall Deli to provide a delicious supper for us at half time which will be accompanied by the liberal pouring of wine!

It is a great privilege to stage this event in this iconic church and we are very grateful to the vicar, churchwardens and trustees for making this possible and for their supporting us throughout the year.

Each year we continue to help many local charities raise thousands of pounds by offering our free auctioneering skills and in addition we choose our own charity to specifically support. In 2019 we will be supporting the Bear Wood Project, a unique initiative by Bristol Zoological Society. Bear Wood is an exciting new development due to open in the summer of 2019 at Wild Place Project.

We hope you have a memorable evening- enjoy!
